I was really happy to move into my new flat.
It's 2 floors flat. I'm living in a room and it's
not small, and not big, not like medium.
But i love it, I can put a lot of things in it.
Actually there's ~~one~~ two rooms, the other one
is my parents room. There are a kitchen,
a bath and a toilet. Two people can sleep on
mine and my parents bed, but i'm sleeping
alone. Of course there's a balcony, and it's
quiet big, but old. I sometimes go in it
but there usually my coats or parents. There's
a big wardrobe in my room so there are a lot of
clothes and other items. There is a table in
my room with computer on it. A while ago we
placed my TV in front of the bed. In the
corridor there's a big sleeping place for my
coats. ~~There is a microwave~~ The washing machine is
~~near~~ near the bath. And because of those things I
like my flat a lot.
