More and more young people spend more time playing computer games. How can we help children to overcome this addiction? Answer is very simple. We'd need to give them time. Just give them time to think about that problem. So ~~that~~ ~~them~~ and give time to think, it can't help them permanently rip out their obsession with computer games, but it's really can help. We'd need

say ~~them~~, that addiction of computer games = lack of sleep. lack of sleep is a bad thing to health, that's it, you will be sleep on the each of your step, and that's mean that your grades became on the "F" level. Parents will be NOT very glad.

Also game addiction ~~is mean~~ that you'll ~~be~~ have not so much friends as you expect. You may not want them right now, but in the future you will be obsessed with idea of have them. But internet will be your every high to you at that time. This swamp is drawing you in ~~to~~.

Also you can have suicidal thoughts. ~~Yes!~~ Yes! I don't lie. lack of friend, bad grades, no social life... live without know how to ~~work~~, forgetting about many words. It's a black hole. It's put pressure on you and eventually you dream about suicide. Start become on the ~~thoughts~~ ~~then~~ self-harm. blades, knives, ropes, etc. You will be feel yourself very very bad.

So you need to hold yourself from internet, games. Do anything you want, just... don't get ~~the~~ addiction.
